“Muslim Family Life in America at the Crossroads”
Sponsored by: The Islamic Council of New England
Hosted by: The Islamic Center of New England

Dear BR. / SR.

Assalamu-Alikum-Wa-Rahmatullah-Wa Barakatuh *وبركاته ورحمة الله وبركاته*

Thank you for being a faithful attendee to our previous Islamic conferences. This year we are inviting you to attend our TENTH Conference, which will be held on Saturday October 1, 1994. As you know the Islamic Center of New England organized our first conference ten years ago. This year, the Islamic Council of New England gave us the honor of organizing the TENTH conference. It will be held in our new facility in Sharon, Massachusetts (see map below).

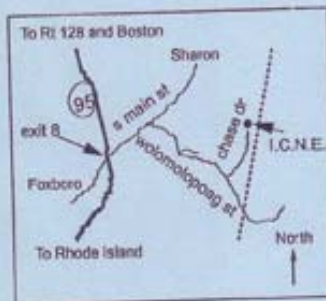

The theme of this conference is “Muslim Family Life In America At The Crossroads.” Now is time to evaluate our family life and face the complexity of living in a different culture. We need to analyze the dynamics of the Muslim family and discuss solutions to problems we may face while raising our offspring. We are in the process of preparing an exciting program for the whole day and we have chosen excellent speakers.

Enclosed is an application form for you to fill and mail back. If you know of other families who would like to apply, please xerox the form before you fill it and supply them. Or they may request the form from the center.

Because the new social hall, big as it is, can accommodate only a limited number of persons for the dinner banquet, places will be awarded on a first-apply-first-serve basis. Therefore, the sooner you send your application the more secure your place will be reserved. In due time, we will send you more information, once we receive your application form.

We are looking forward to seeing you at the conference in October, Insha-Allah.

Wassalamu Alaikum

Sincerely,

Alae Eldin Sayed
Alae Eldin Sayed, Ed. D.
